“ *What I remember most about my Aunt Darlene is her love of animals. Throughout the years, many of her beloved pets have passed on. I know one of the hardest things for her being sick was that she was not able to have her animals. I know that she is in heaven reunited with some of her beloved pets. I'm sure she is happy to be out of pain and able to move freely with no problems. Love you Aunt Darlene. Always in our hearts* ♡♡♡♡♡
