“ She was an incredible role model. With her union work & service to others, providing care and respect for Aunt Edna/Alice & my parents when they needed it. She was a smart, fun, and fearless woman. A true She-ro!

“ For 20 years we were the best of friends and then as life happens we slipped away from each other. We were know as *The Golddust Twins* for our ability to get the job done, a true compliment. The world will be a darker place without you in it but I'm sure sweet Andrea was happy to have you walk by her side. Love you my friend.

“ Linda, I will miss talking to you when I go visit Mom. Jesse loved you too. He went to your door waiting for you to come out and play with him and get his kisses. May you have lots of dogs in your afterlife.
