“ *Lois was one of the first people I met when I moved to Galleria Woods. She was so kind and soft spoken, always with a smile. I pray Iris and her family understand why we at GW didn't respond sooner - we simply didn't know she had gone to be with Jesus, her husband and family members. Praying peace and comfort during this time of loss. Sincerely, Sandra Miller*

I remember meeting this beautiful lady while working at Galleria Woods! I worked in Marketing and helped her coordinate colors for her apartment and we would spend hours talking and laughing. She was such a beautiful, elegant lady, we would talk about the Lord and had fun fellowshiping. I will truly miss her!. I would call her mom and we would laugh about it. (it was our inside joke).

Praying for the Family and know that your mom was truly loved!

Jessica,

It is so good to hear from you. You made Mom feel very welcomed at GW and she certainly enjoyed your visits. She was honored that you called her Mom! You meant a lot to her. I appreciate you loving my Mom, too. Iris

“ I have memories of Lois Helen . When I was 6 years old living at my grandparents at Serals,Al . She came and stayed with us and helped teach Bible School at our church with my grandparents (Mary and Luther Durrett).She was 18 years old and just took me under her wing. She was so sweet to me helping me get dressed each morning and fixing my hair. She was my Idol as I grew up . My grandmother would take me with her sometimes to visit Aunt Julie and all of her family, we would stay several days and that was a very special time in my life growing up. I am going to try and make it to the funeral (will have to have a driver and not sure I will be able to make it) . Your family is in my prayers.I am thankful the Lord let me grow up knowing and loving Aunt Julie ‘s family.Jane Mink Cables(Marvin and Esther Pearl Mink’s daughter)
