“ *My heart continues to break in seeing all my Mentors and friends leave us all behind, but that is God's plan. I am praying for all of you guys and I know you loved your Mother so much as I also did. We experienced something I fear that the next generations will never see again, Family a true real together Family. We had Godly parents like Charlie and Lou that were open to all people with true love and always listened to what a person had to say. you guys don't know how many times i stopped by when your Mom and Dad lived over by the Elementary school and i sat and talked for what seemed like hours and they sat and listened to my situations that i was going through. They loved all of you so much and were so proud of their family. of course as kids Linda, Diane, and myself were same age but i remember treating all of you guys bad at times and i ask for your to forgive me for that it was just a lot of fun back then. God bless my wife Pat and I are praying for you and want you to know that you are not alone but you have a band of family and friends with you.... love you guys....*

“ This was my Aunt and my mothers sister. I can't write enough about this lady. I loved her dearly and will miss so much. She was unique in many ways, wonderful cook and so fun to be around. I know she is in a better place. She is celebrating with my uncle Charlie and their daughter Linda Lou.
