“ Dean was such a sweet person. She had a heart and soul of gold. I have so many memories of sitting at that kitchen table and the three of us talking about everything. And meeting up to go to line dancing classes. I will hold those memories dear. I will pray for strength for the family. Knowing she is in Heaven and not hurting anymore and with her husband once again. Heaven gained an angel. But she will be missed but never forgotten here on earth. Please know I am here. A phone call away. Night or day.
