“ *Maebel was a precious lady. She loved her children and grandchildren with all her heart. We took her to the mountains a few years back. I have never seen her so excited. She talked to us about it so many times. It reminded her of when Arthur would take her to Cherokee. I'm so glad we have those memories of her. She loves bed to sing in the choir. Today she remembers all the words and she's singing in the heavenly choir. Fly high Mabel 🙏*

Maebel was one of the first that was saved when I was pastor at her home church . She was a wonderful lady that love her lord and savior she love her church and her family. We have many memories being in church with her. We had the pleasure of having her to come to our church in Tuscaloosa we have a pitcher of her with all my children and my wife and I that was the last time I got to see her we will miss her but I know she in heaven to day and we will be together one day and we will sing together
