“ *I'm so glad that Malinda decided to join our family. She was a sweet person and I was so happy to see how happy she made Doug. Although I didn't get to spend much time with her she was very loved and prayed for daily. Continued prayers for strength and comfort during this sad time. Thank You Lord for healing Malinda. May not be how we wanted it but she is healed and pain free for eternity. God Bless your sweet family. Love you all.*

“ *Melinda has been a friend of our family for so many years. Seems like yesterday that my sister Becky and Malinda were riding their motors around and around and around in Malinda's back yard. I remember Becky adoring her kids and keeping them for Malinda to go out. Becky loved them all so much. I know we all go our own ways as we get older but I know Becky felt that when they came back together it seemed like they had never been apart. She will be missed by so many. Rest in peace sweet lady. You were a special one!*
