“My aunt Margaret was one of the kindest person I've ever known. She has always put others ahead of herself and lived a Godly servant-life. She cherished those around her, loved her children and grandchildren. I saw her happiest when Jimmie came into her life and became her rock. Simple things made her happy, especially those round her, pets and the Crimson Tide. She had a special relationship with my brother and sister, Steve and Sharon. We plan to celebrate her life by donating to the Nashville Humane Association. I will miss her.
