“ I remember Pearl as a friendly and loving person. She always made me feel welcomed. I know that Bill thought a lot of her and enjoyed spending time with her especially when he was a young boy. He often shared stories of some of the times that he and Wesley spent together as children. \r\n\r\nI pray that God will surround her family with peace and comfort during this difficult time.\r\n\r\nI am Bill's widow.
