“ I am so sorry to hear about Margaret’s passing. I was so blessed to be raised in a village where she was one my Mothers. I come to know Jesus at a young age because of her. There was always room for one more in that green station wagon on Sunday mornings. If cleanliness is next to godliness..well she was the only person I knew with 20 kids in house everyday and nothing was ever out of place. I think of her often when I fix a peanut butter and jelly sandwich, cause nothing sounds better. She was also a great seamstress; making our pep rally uniforms or finishing my jumper for Home Ec, so I wouldn’t fail. The Gray house is where I learned the true meaning of the 3rd Saturday in October..AL vs TN. Margaret was a true servant of the Lord, and I know she is rejoicing in his arms
