“ I know Mimi is in the Heavenly choir, and I imagine by now she has been reunited with alot saints. The time that I have known her she was always wonderful to be around. She had a love for everyone she met, I know this first hand because I know she loved me (she told me) with tears in her eyes. I have just a few precious memories of Mimi, like the time she put those waxed lips on in morning service that was priceless, and when the praise band would play a jazzy opener I would catch Mimi stepping time with the beat (I bet she could dance or waltz). She was always dressed to the nine's and I admired that about Mimi. These little memories are just a few that I will never forget. Love you B.K. and Don, prayers for you all.

“ What precious memories I have of your mom and dad. When I think of First Church in B'ham, they were part of the examples I knew and loved as Christians. My mom and dad enjoyed their friendship. I have been so honored to have them as a part of my life.It has been so sweet to watch your mom grow older with such grace and spunk. My prayers are with you and yours in this new normal for you.
