“ *Grandma loved her fried chicken, especially Church's chicken. We went to a family gathering at her house and bought 2 big boxes of chicken. When the 1st one ran out, I went to get more chicken from the 2nd box. She took the box from me and let me know that was HER box of chicken, not mean, just a fact. She was too funny when it came to her chicken. That's my first memory of Grandma. She always treated me like of the family and I will miss Grandma and her fried chicken.*
