“ *Mother, I thank God He chose you to be our mother. But, you were more than a mother, you were our best friend our confidant, Our mentor our world. The world seems a little dimmer once you took Jesus hand. We will keep your legacy and love going here until we meet you at the gates. I'm so glad I was able to take care of you and spend a lot of time with you. Forever in our hearts. I hope you are dancing and singing with the Angels. I love you Tami*
