“ Life is one of the most precious moments given by God to mankind, and the best of it is too short. None of us know the day or hour we leave here, only God. Mrs. Mattie Golson, - best known as \"Granny\" to so many - endeared herself to the betterment of all who enjoyed her presence. What a legacy, what example, what strength \"Granny\" gives, what light she shines upon each of us now to walk a straight path, onward and upward! Shirley and I bless the moment we came to know \"Granny\" and her families. A courtship, a marriage, a family we did not now 'we had,' namely the Glasscocks! Our love, prayers and encouragement go to you in this hour, and know we shall in tme have that great reunion day - all of us together! God bless!

“ My husband and I would like to express our sincere sympathy to the family and friends of your beloved Matti. We wanted to share with you comfort from God's Word found in John 5:28,29. Here we are given the wonderful hope of the resurrection of our dear loved ones, here on earth, just as Lazarus was in John 11. We can also have comfort in knowing our Heavenly Father shares our pain and sorrow when someone we love dies. (Psalm 34:18) May the loving memories you all made and shared together bring a smile and warmth to your hearts as you begin to heal. Share them with others and her memory will be cherished by all who knew and loved her. Take care of yourselves and each other during this very difficult time.
