“ Dear Hosmer family. I am so sorry to have read of the death of Mr. Hosmer. Please accept my sincere condolences. I would like to share something that I have personally found to be comforting. It is found in the Bible at John 5:28, 29 and Revelation 21:4. These verses tell us that soon God is going to bring about a resurrection of our dear loved ones as well as do away with all causes we have for suffering, including sickness and death. Knowing this has always comforted me and it is my hope that these thoughts will comfort your family also. I have found additional comfort at www.jw.org.

“ My sincere condolences to the family of Maynard C. Hosmer. To lose a loved one in death is the most unbearable, devastating event that can take place in our lives. The pain and anguish we feel never truly goes away especially to a man who has been in the lives of so many. Our Heavenly Father is aware of what we are feeling and is here to offer us comfort, when we read 2 Corinthians 1:3, 4. He holds out wonderful promises concerning our departed loved ones at John 5:28, 29 and Revelation 21:3, 4. To know that there is a better future awaiting those we have lost in death, where the issues, such as sickness and death that plague mankind right now will be things of the past and gone away, I hope, this can give you the strength to endure the difficult days ahead. I am sorry for your loss.
