“ *My sympathies to Mike's spouse, children and grand children.\r\nMike and I served together in the US Navy Seabees.....we both attended Builders A School in Davisville, RI April-July '68. Mike was like a big brother to me and helped me quite a lot during school. He already had a carpenter's background and knew his stuff.\r\nHe nicknamed me 'Buckwheat';.....always laughed about that and never knew how he came up with it. \r\nWe both ended up getting stationed in Davisville, different units but across the street from each other.\r\nWe also worked together, part time, at the Chiefs Club in Quonset Point.....a club for E7-E9.\r\nHad lots of good times and great memories of Mike.\r\nMy one and biggest regret is we didn't get to meet up after we reconnected a few years back.\r\nWe did get to talk briefly once and will cherish that moment.\r\nRIP Mike.....rest in peace and hopefully one day we will meet again.\r\nTom Nolen*

“ *So very sorry for your loss. What fond and funny memories of M.D. who was quite a character. So many great memories of him in Augusta, Georgia. He will be missed but always remembered. Our thoughts, prayers and tears are with you at this difficult time.*
