“ In addition to prayer and up-building association, God's written Word is a source of comfort to those who mourn. Bible accounts reveal that Jesus has the deep desire and the ability to remove the pain of bereaved parents by bringing the dead back to life. (Luke chapter 7; Mark 5:22-24, 35-43) Such detailed Bible accounts about the resurrection of children show grieving parents today what they can look forward to. Jesus said: “The hour is coming in which all those in the memorial tombs will hear his voice and come out.” (John 5:28, 29) God purposes that his Son will give life to those who have died. I am very sorry for the loss of your beloved. May God's Word seek to comfort you and your family. Sincerely, Meryl
