“ We are so sorry to hear about Myles. He was a very loving, giving and special person to all of us. He always smiled, made you laugh and never let his situation get him down. He would call and say let me tell you what the Lord has revealed to me today. We never went to see him or talk to him that he would always say let me pray for you even though we were there to pray for him. He never lost faith. Praying for your family.

“ Myles and I worked with the Cub Scouts. I loved working with Myles - always so willing to help and that smile and wit. He was a very special man and I was blessed to know him and call him Friend. His children are a testament to his sweet nature and his amazing talent.

“ *Never was there a man with more faith than Myles, who loved and honored Jesus. He never waivered in his faith even though he laid in that nursing home bed for years unable to move. Our visits were to encourage him, but he always encouraged and prayed for us. He never complained nor lost his joy and was such a Godly example and encouragement to us. Rejoicing that he is finally healed and dancing in worship with Jesus! Larry and Carolyn Wilhite*
