“ Suzette
I am so sorry about your sweet mom. I loved her dearly because she was a “pull no punches” person. When I worked for the county (purchasing department) she would always hug me and have a kind greeting. My mom passed away 10/2/17 at 96. We are both lucky to have had our moms so long.

“ Suzette,
So sorry to hear of your mom's passing. I have very fond memories of her as she and I were beginning of the set of neighbors on Shades Crest. She was always ready for a party and could tell some good stories.
Regards to you.

“ Susette, your mother was a treasure. I, along with many other members of the League of Women Voters of Greater Birmingham, spent many volunteer hours in her office. She knew election law inside and out and lead the Jefferson Co. Registrar's Office as a consummate professional - always fair, always, nonpartisan, and always correct in her advice and actions. She put up with no nonsense and yet was a most kind and compassionate person. That is a hard combination to pull off, but Nell did it with grace. You and all Nell's family have my deepest sympathy.
