“ I got to know Mrs Norma when my Son and Daughter worked at Big Daddy's in Vance. Her and her nephew cooked the lunch menu and many times we all would sit and talk and while they were working, and my Brother Y C knew her when he was working as BF Goodrich. He was always carrying on with Norma and Frankie. She was the type of person you could sit down and talk to and she listened and she cared about what you were saying. I never will forget the time that we got to spend, know and love Mrs Norma. She Will be Missed and prayers go out for y'all's family and all the friends may God help you through the grieving and the void left in your heart and know Mrs Norma would want you to know that everything is OK with her and she wants you to be OK by trusting Jesus as your savior.

“ Norma and Pete were friends of mine and Pat's for a long time when they owned Woodstock Restaurant and we've kept in touch over the years through her running BF Goodrich Cafeteria to working at Big Daddy's BBQ and after. I don't think I ever met a woman who worked harder than Norma and was always smiling. My prayers are for comfort for all of her family. I pray she is smiling with Pete in Heaven right now.
