Odis was my big brother. He could be funny, He loved being a practical joker. He liked to make others around smile. As life has it over the years we went in two different directions in life, but we stayed in touched. Odis was a hard working man with a lot of pride but he loved his family, and the outdoors. He never forgot his raising and he always came back and centered himself in church. I love you big brother, I will miss you ! Tell Mom and Elmer hi for me and try to stay out of trouble! ❤️ until we meet again.

Yeah Odis was a prankster. Remember one time at the 4th of July and we were at Mama's house and while we were shooting off fireworks, he thought he would throw a M 80 between my feet when I wasn't looking. Said he just wanted to see me dance. Mama was so mad at him. But he was like, Doris Ann didn't get hurt, but she did dance. He was always playing pranks. I'm going to miss you little brother.

I worked with Odis at TC Fiber. Every morning he greeted me with some saying or joke to make me laugh. He was a great person and will be missed. He touched my life and told me stories that I will never forget. Carmen, your father loved you so much. He talked about you all the time. Janet, he also spoke highly of you. Keep him in your heart and he will be with you always. I am here if you ever need anything. Even just to talk. Keeping you and the family in my prayers.

*Thank you Sharon. Odis loved working with everyone at TC Fiber. He loved his children very much. He was serious about safety but such a goofball and loved to laugh.
Carmen loved him greatly and I am so thankful.*
