“ *Our thoughts and prayers are with your family. Olene was a special person to my mom. She would visit her so many times while we were growing up. Distance has kept us from being with you all today. I know you all will miss her presence. Just remember the love she had for all her children. A mother makes many sacrifices for her family but only because her love is so deep. This love is a gift from the LORD.*

“ Please share the following condolences with the family of Olene Wasley: Dear Jan and Family, Please know my thoughts and prayers are with you during this time of loss. Your mother was truly a southern jewel who loved her girls and her family. When we met the first time, she made me feel like we had been friends for years. You were good caregivers in her time of need. May peace be with you all as you begin your journey of grief. Celebrate her life and hold dear the memories. Love you Jan.
