“ *Patty and I were schoolmates at Bessemer Tech in the 80's taking air conditioning. I was younger but we hung out with the same people. God , hold her in your arms please! She was a dear friend and one of a kind! Rest in peace my friend! Glenn d.*

“ *I have so many wonderful memories of this precious lady.I always saw right past her tough exterior that most people saw.I saw a heart of gold who always gave her all to the people she loved.She had a beautiful soul and she loved Jesus.I am so glad I got to spend so much time with her at the end of her journey.She taught me so much about being tough and determined in this hard world.She fought to live for her precious grandbabies and I loved her so much.We will meet again and next time she will be healed and happy.Love you always,my Pat Pat*
