“ Bill and to all your family, I am so saddened about the passing of Patsy. I have sat where you are sitting at this troubling time in our lives. Loosing a spouse is one of the most difficult experiences in our life. You are in my prayers and God will provide the strength for each day without Patsy. You are like many others who have had to go on in their lives without our loving wives. Although very sad, we know about the resurrection in that great day when we can be with them again for all eternity. I am sure you will continue to put your trust in the God of all creation for he has said; "He will never leave us or forsake us." I am here and will gladly help in any way I can to give you peace and the feeling that you have many friends who care. Bruce-
