“ Brent, my heart goes out to you. Words cannot express the role Patsy played in the person I am today in the business world., I worked with her in the same group from 1982 until 2006. She is a true mentor and most importantly she was a true FRIEND and Prayer Warrior when it was most needed. \n\nRemember you are not alone and the Lord will hold your hand through this and if necessary carry you through. You are and will be in my thoughts and Prayers

“ Patsy was my dear friend, mentor, and former boss. I will miss our fun times together, her quick wit, and great sense of humor. She always made me laugh and was a great role model for me in life. I can't believe she is gone so soon and I will miss her so, but I do agree that she “joyfully entered into the presence of our Lord”. She was a wonderful person. Brent, my thoughts and prayers are with you and your family.

“ My thoughts and prayers are with you Brent. Patsy had a huge influence on me during my Bellsouth career. She was so very encouraging and helped shape me with her leadership skills and practical advice. Definitely a strong but caring woman! Did you know after admiring her 2 bands she wore with her wedding ring, she loaned them to me so I could show them to my husband. (A strong hint that he didn't take!) But that's who she was...generous, giving, and so very proud of you! I am a better person for knowing her!

“ Brent your Mother will forever be loved and missed by all who's lives she touched. She truly had a way of making everyone feel special. \r\nYou will be in my prayers as you face the days ahead.\r\nSpecial memories of Pat will always remain in my heart. She was such an inspiration to me. I think of all the laughter, the smiles, and all the fun we shared, while we served together, doing the Lords work, in serving others, and although it brings me comfort to walk down memory lane it reminds me how, without her parts of my life will never be the same. \r\nLove and prayers go out for you Brent
