“ I never met Mrs. Isbell but had talked to her several times when I was starting in Disaster Relief. She was very helpful to me in learning the "ropes" on how to find what I needed. I will miss that pleasant voice. God Bless you

“ Penny was our next door neighbor since January 2002, and we couldn't have had a better person living next door to us. She was sweet and kind and was a blessing to know. She was active with our Neighborhood Watch Group, elected as the Secretary, and went out of her way to help any of us in any way needed. She will be missed by all of us, but she's in a much better place now. God bless her family and friends.
