“ *Nannie was the type of person who gave you wet kisses, belly laughed, and loved you with ALL her heart. My favorite memories of her are when she was with my grandmother. As sisters, they had a special bond that always made everyone around them jealous and at the same time enjoy their funny stories and laughter.*

“ I have nothing but great memories of my cousin Renea. What a beautiful person. She would babysit us when we were little kids. She was always loving , fun and kind and she helped to raise a beautiful family I know she loved all her kids and grandkids more than life. I last saw Renea ten years ago , and she was like always - welcoming , gracious and full of love. Rest in peace. Tell everyone hi for me Jay
