“ He was my BEST Friend's Soul Mate, her best friend of all. He was the brother I never had and I could always depend on him to tell me what he thought I should do when I needed help. He was there for me when I was low and we always joke around about things and laugh. I loved him and I will surely miss being able to pick up the phone and say \"what do you think I could do about this?\"
My love to my dear friend Sandy and Shaun and Brian, and remember, I'm there for anything, everything you need. We know we will see him again and we can all rejoice in the great homecoming we will all have.

“ It's almost 2:00 and time for His service to begin. My thoughts and prayers are there with Sandy, Brian, Shawn and many friends who was able to be there today. I'm sorry Lamar and I wasn't able to be there because he is very sick right now. Ricky was a special man whom those who knew him counted his friendship as a blessing from the Lord. Much loving thoughts and our deepest sympathy to Sandy, Brian and Shawn. We love you all
