“ I'm sorry for your loss. May your family find peace. I'll remember Rob due to all the kindness he showed while I was caring for my elderly parents, Mr. and Mrs. Edward Rohrbach. I had to call once when my mother fell and I couldn't help her up. She was so shy she didn't want any men to see her with her pants down. He sent in female staff to help and relieved my mother's anxiety. Then Rob said, "Don't ever hesitate to call. That's why we are here." I called many times over the years in Alabama. I'll be grateful forever.

“ Rob was my brother in law for years while I was married to Janet's brother. It's been a long time since I've seen Janet and Rob. They were always a great couple and I loved being with them. Many laughs and a lot of love. Rob was just an all around good man. He will be missed but he's now able to live his Glory Days. Many prayers for Janet, Amanda, Katie, and Andy and your families as you deal with your loss. 💜🙏. Love all of you.

“ I worked with Chief for a number of years as a medic with the ambulance service stationed at McAdory. This breaks my heart. He taught me so much and even invited me to the station on my off days to help with my fire studies. This is truly a great man who will missed by a lot of people and a lot of knowledge will be lost by his passing. Love you Chief and thank you for everything! Cindy Williams NREMT-P Retired
