“ *Mr. Smith was a customer at Second Attic Storage for 14 years, one of our very first renters. In the four years I’ve been in the office, I was lucky enough to have many long conversations with Mr. Smith, solving all the world’s problems. And with every visit, without fail, he asked about the health of my mother. We will truly miss him---rest easy.*

“ *Robert was a renter at my storage facility since 2007. Since he always dropped by to pay, that was 13 years of monthly visits. He was so likeable and pleasant that after all that time he was a friend. I will miss him. marcy gerhart*
