“ I spent the entire day that Bo passed on the phone letting people know that we had lost him. In between those many conversations I received countless incoming calls from all over the world letting me know about it too. \r\n\r\nBo&#39;s life and his message left an immense footprint on the world, and on my heart. He and Shirley will be forever missed and remembered.\r\n\r\nGod speed to them both.\r\n\r\nFrom Jack and Leslie Carpenter
