“ The prophetic vision of Revelation 21:1-4 points to the time of “a new heaven” and “a new earth” and gives the promise that then “death will be no more, neither will mourning nor outcry nor pain be anymore.” Since this promise is given, not to spirit creatures, but specifically to “mankind,” it gives assurance that a new earthly society of humankind living under the “new heaven” will experience restoration of mind and body to fullness of health and everlasting life as earthly “children of God.” This is the hope for Ms. Roberta as well. I am very sorry for your loss. May God's Word seek to comfort you and your family. Sincerely, Meryl
