“ You grew up with us and taught us so much. You were our favorite quarterback on the football games played in many places especially on front yard in bluff ridge, and at family reunions. We both had a great love for auburn football. When Lula came into our lives it was so special. At first I was so worried u wouldn't be our quarterback. But you still came and played when u could. You and her took us under your wings and let us spend the night. Took us places like fair and movies. It was a special time for me and DeWayne because we idolized you so much. Lula was a great aunt that we loved and admired. Then came along our sweet baby Anna bell. We loved her so much. She is an amazing girl. Then came another bundle of joy. Becky who was so sweet and loving. We reunited when daddy moved to Bibb county the whole gang. Tommy and his amazing family and your amazing family. Life was back to normal and we were all together. I will always cherish the times we had together. The best times were when we played cards and board games at your house. It was right up there with our football games. Cicero, Tom, Glenn and Dale were close to you and enjoyed those sweet special times. You etched memories that will be with us forever. I love you and will miss you. Your family will carry on your legacy you left behind. You taught them so much about life and they are blessed because they had the best. Heaven had a lot of rejoicing when u got there. I know your happy now because you are with God and all of your sweet family there in heaven. It is gonna be tough without you down here but we are coming soon. Love you.
