“ Lisa and family, so very sorry to hear about your Mom. What a wonderful person she was to all who knew her. She loved her church and those around her, always tough on me but then that was who she was. If she wasn't tough on me I would have figured she didn't love me. You have a family history like very few of us considering how Ruth and Alvin supported so many ministries and so many lives, they will never be forgotten. God bless love you Lisa and miss you so much..
