“ *You were always one of my best friends I ever had since the first grade at Vance. Knew Larry too since I was 13. I know you are both happy to be together again now. Had been trying to call you so many times since way before Christmas because I longed to talk to you about so many things, but did not know you were sick & could not answer. Will NEVER forget the visits to our homes, especially at Christmas & all the good times we had together. Love you dearly, Carol & Tom . . . tears*
