“ David and your entire family, We know that your hearts are broken. We both so loved Sherry. She brought joy not only to us, but also to the many many people who knew her. I can see that sweet smile and hear that little laugh now as she told something amusing. Please know that we are with you in spirit and love. Sonny is physically unable to attend her service and is so distraught that he cannot. We will continue to send our love and prayers as you make your way through this difficult time.
