“ She was such a wonderful grandma. Thank you God for sharing her with us. We know she is enjoing mation in Heaven. She told me many times that that was her goal. To live for God to get to walk the streets of gold and see that beautiful mantion that God promised all of his children. To be missed on earth is hard for us but we are comforted by knowing she is dancing and celebrating with her loved ones who went before her. We love you Maw Maw.
