“ I am so thankful to Susan when my husband passed away. When I asked her if there was anyway that she could play the organ at our former church for my husband's funeral, she told me that she would be happy to play the organ. Susan was a sweet lady and I know that her family will miss her very much.

“ Susan was a joyful person, so full of life, She was a dear friend who always cared. I will miss her as my choir "buddy" who helped me stay on the alto notes. She truly loved her Lord and Savior. An inspiration to all of us who knew her.
