“ Our deepest condolences to family and friends. It is very painful to say goodbye to someone we love. So we will not say goodbye, just, 'see you later'. And until we say hello again, every loving memory will be like the warming rays of sun which help to bring comfort from the pain and sorrow. May the promise of the resurrection to life everlasting on earth give you hope and peace that is beyond all understanding. (John 11:23-26; Revelation 21:3,4.) Heartfelt prayers are with you. \r\n
