“ We are very sorry for your loss of Terry. Did not learn of it until this morning and not in time to attend visitation & funeral. Have good memories of the family being very good neighbors many years ago.

“ In Loving Memory of Terry Deason...I met Terry three and a half years ago and count it a blessing that I knew and loved him. He was truly one of a kind...to know him was to love him. I am glad I got to have one last good conversation with him just two days before the Lord came and got him. I will miss him greatly... Praying for the family and friends. May God give us all grace and comfort in the days ahead. ~ Patricia Taylor
