“ May God hold all of you close in comfort and peace... Terry always had smile on his face and loved the Lord....you knew it by his face but he also told you about Him! He will be greatly missed but is now pain free and Home... he can rest and see all his loved ones who went on before...I can just see him up there now praising Jesus, walking the street of gold happy and healthy...visiting with his family and friends...thank you Lord that you made a way for your children to go back Home! ~Patricia Taylor, Hueytown, AL
