“ All of our hearts for you and the family. Tommy is in heaven with all his loveones, you just need to know what he would for you now. He is heaven that are no pain, no worries or sorrows. God only knows how bad the pain and loneliness is now and will be. There is no time limit for grieving, Remembering all the love, happy times, special moments that he gave to his family while he was here. Lord, please give peace to you and all his family members. This is what Daniel and I have say to each other for years, "I love you forever, like you always, as long as I am living, my dad (mother, sister, brother) you will be. Then, Daniel would repeat, I love you forever and like you always, as long as I am living, my mother you will be. That is the truth and remember God has a certain time that we all shall leave this world, oneday you will understand. I am always here for you, Janice and the family members. God bless you and family durning this time of sorrow.

“ Dear Norwood family. I am so sorry to have read of the death of Tommy. Please accept my sincere condolences. I would like to share something that I have personally found to be comforting. It is found in the Bible at John 5:28, 29 and Revelation 21:4. These verses tell us that soon God is going to bring about a resurrection of our dear loved ones as well as do away with all causes we have for suffering, including sickness and death. Knowing this has always comforted me and it is my hope that these thoughts will comfort your family also.
