

Tommy Joe Herring

February 9, 1936 - June 23, 2021

Tommy Joe Herring, 85, of Hueytown, AL, passed away June 23, 2021. Today we lost our daddy, Tommy Joe Herring, who some know as TJ, Jack, Pop, and Papa Jack. Anyone that knew him, knew that he was many things under one hat. He was an outdoorsman that liked to hunt and loved to fish, a gardener that always kept a garden in line, a patriot that loved his country, a Freemason for over fifty years, a Jack of all trades, a father, a grandfather, and a great grandfather that was full of love. He was one of the most hard headed men ever, so yes, all his children and grandchildren got it honestly. If you were ever around him you knew that he was always the life of the party and a beacon of light seeking out his next adventure. We will surely miss you, the void is great. We love you and may you rest in peace knowing you had a complete life that would be envied by most. Words can't put into place our great loss. He was preceded in death by his daughter, JoAnn Herring. He is survived by his children, Sheila Herring Downey, Linda Herring, Tommy Herring, Jr., and Billy Franklin; five grandchildren; five great grandchildren; his girlfriend, Sue Hulseley, and the mother of his children, Ann Fluker Herring. A memorial service will be held Wednesday, June 30, 2021 at 2:00 p.m. at Bessemer Brown Service Funeral Home. The family will receive friends Wednesday from 1:00 p.m. until service time at the funeral home. At Tommy's request, NO FLOWERS are to be sent to his service. Please make memorial contributions to your favorite charity.

“ Our thoughts and prayers are with you all. He and your mom meant so much to our family. I have some of the fondest memories of our childhood. Spending time with Shelia as kids. Those were the good ole days. Your parents were the sweetest most loving people. Always there when you needed them. God bless you all in this difficult time.

“ I am very sorry for your loss! I'm very lucky I had him in my life. Me and Tracie both were always so happy to see pawpaw. It would just brighten our day when we seen him. It's so hard to imagine pawpaw has passed away. I miss him so much. I wish I was able to see him more than I did. The last few months we would go by the house or we would call,no one would ever answer the phone or the door but we still go by just to see if we would get a answer. I'd do anything in the world just to see him again. If you need anything just give a call or come by the house!\r\n\r\n Love,Lacie
