Tribute Wall

“ Uncle Troy was the best man to have on your side. I spent lots of time with him and Aunt Lois during the summers when I worked for him and my dad. I felt like I was a part of his family also. He kept me busy, and out of trouble during those summers and treated me with respect. I'll miss him very much. Between Uncle Troy and Uncle Freddy those few summers before I went in the Navy were very memorable and left a lasting impression on me. I dearly will miss him and wished I could have made the service. Craig, Jeff and TJ thank you for being such good cousins and family members to me and my family especially during the time I spent with you during those summers.
