

Victor John Watson

January 1, 1964 - October 13, 2022

Victor John Watson, 58, of Bessemer, AL, passed away on October 13, 2022 after a long battle with liver disease. Victor was a force of nature - he made his own rules and lived by his own codes. He loved being a rebel and being different than the norm.

Victor loved his son undeniably and he did his best to support his only child. Victor was also passionate about his muscle cars and anything that went fast. Anyone who knew Victor, was aware of his eccentric way of living. He loved rock n roll, pretty women, and his long blond hair. He was definitely one of a kind, and will be sorely missed. Victor was a loving father to his only son, Victor Ray (Melissa L.) Watson and a loving son to his mother, Ruth Collins (deceased). He is survived by his longtime companion, Melissa L. Buford. He is also survived by his two older brothers, Benny R. (Erika) Watson and Frank D. (Janis) Watson.

His life was cut way too short-but in his time here on Earth he lived a fulfilled life—, he lived everyday like it was his last. He still had a smile on his face even when he didn't have anything to smile about. Even in his hour of death, he didn't want to burden anyone.

The family is heartbroken, and on top of the loss, we're struggling to pay for his funeral. In lieu of flowers, the family is asking for donations to help with

funeral expenses. Here's the link to contribute: <https://everloved.com/life-of/victor-watson/obituary/>
