“ We shared. A great Uncle in Si Hosmer. I met Dewey and his wife when we moved to Alabama in 1980. We brought a family heirloom, a clock, with us from aunt Mary Hosmer that she had been safely keeping for the Hosmer family. I spoke with Virginia on several occasions about our mutual cousin Myra.

“ She was such a lovely lady. She was always smiling.. when she worked at the Brookwood clinic I suffered terrible migraines and she would call when I only had one person in front of me. Sometimes she even volunteered to come and get me and carry me home. She was an angel on earth and now she heavens angel. Prayers for the family
