“ Danny was a silly little boy when I first met him. Very few people know I called him Blingy his entire life and why. Danny used to come and sleep over all the time. Every time we would go somewhere he would put so much of Donnie's jewelry on it was hilarious. I took them skating and he fell a freaking broke his freakin arm ONLY because he had several spike bracelets on. He was Blingy every since. He was a silly little boy and turned out to be a HERO of a man. Rest Easy Blingy we will always love you 💔
