“Fate smiled upon the Whitten family the day Bill Lammert became our brother in law. From the beginning we felt "at home" in his presence. We were blessed with a brother in law whose warmth, thoughtfulness and sense of compassion served to make our lives brighter.

To Betty

The past 11 years with Bill was a godsend for both of you. For that I am grateful. May all your wonderful memories comfort you during this heartbreaking time.

To the Lammert Family

Bill was such a wonderful person. His faith was a shining light that touched so many lives. His positive attitude always brought comfort and peace.

Our thoughts and prayers are with you.

“ Bill enjoyed and cared for God's creatures. He will be sorely missed by his "chicken hawks" and other wildlife in the Wynlake area. His compassion and empathy embraced more than we humans who treasured him.

“ Betty, our Alabama cousins and your families:
Us Georgia Lammerts send our prayers to you all during this time of Uncle Billy's passing. Though we did not get to see him often over the years, any phone call with him or seeing him in person was always comforting and left you feeling happy. We share warm memories of him and the family when we travelled to B'ham - especially as children- to see Nanaw & Papaw ! I know our dad loved his older brother- and all his siblings- greatly. He/ We also appreciated over the years (and especially these past 12 since ' Johnny' passed away) Uncle Billy checking in on our mother -Jan- here in Atlanta. She always enjoyed his phone calls and was happy he found Betty to enjoy life with. You were loved by all Uncle Billy and we certainly know that when you saw Jesus , he loudly proclaimed:" Well done my good and faithful servant" .

“ My deepest condolences to you all. Your Dad was the sweetest and kindness man. He had a laugh that would light up the room and made everyone feel like family. I remember as a very young girl the things he would do for others. he loved God and loved his family. May God be with you all during this time.
